

Natural Ways to Make You're your Home Smell like Christmas 🎁👶❄️

Creating a festive and cozy atmosphere during the Christmas season involves more than just decorations and lights. A key aspect is the delightful scent that evokes cherished memories of Christmas. Infuse your home with natural, home-made Christmas scents that are kind to the environment and to your wallet. Plastic Free is the way!

Abundance in nature

You can forage for items such as pinecones, evergreen branches and use citrus fruits, whole cloves, and cinnamon.

Gingerbread Ornaments

Adorn your Christmas tree with charming gingerbread ornaments with fragrant notes of cinnamon and all spice. You can decorate the ornaments with icing and dried fruits. They smell amazing and the kids will love getting involved.

Festive Fire Starters

Burn muslin bags, which are filled with dried orange slices, sage, lavender, and eucalyptus, in your fireplace to fill your home with holiday essence.

Scented Pinecones

Get outside for some air and forage for pinecones which you can treat with an essential oil of your choice and display in your home whether in a bowl, your tree or on a wreath.

Pomander Balls

Choose a mix of oranges, grapefruits, and lemons. Stud with cloves, fresh bay leaves and rosemary to release their citrusy spicy aroma. Arrange nicely and enjoy.
