

Climate Ready Classroom Award

Does your school have a Climate Ready Classroom?

If you are working towards your EcoSchool Green Flag or simply looking for ways to improve knowledge, awareness and action with both staff and students, becoming a Climate Ready Classroom is a great way to start the process. To reach Climate Ready Classroom status both teacher and students must have completed one of the following, free programmes (see following).

Benefits include:

- ✔ Listing and recognition as a Climate Ready Classroom on the KNIB EcoSchool Website
- ✔ Receiving a Climate Ready Classroom Award at the annual Eco School Awards event to recognise your achievements
- ✔ Social media promotion to share your achievement, learning and action on sustainability
- ✔ All resources FREE - fully funded by DAERA's Carrier bag levy
